

## NORTH STAR ONLINE SCHOOL

# Why Choose North Star Online School

North Star Online School is a virtual school for students to complete a Grade 12 program instead of going to CEGEP. After this program students would receive an Ontario High School diploma, recognized by the Ontario Ministry of Education, making them eligible for admission to not only Québec universities but also all universities across North America.

The student would be taught as if in a conventional school and would receive a full range of courses and services on-line, given in real time by a certified teacher. Students following such programs are recognized on par with students registered in regular schools. They can be geographically located anywhere and receive this service in the comfort and security of their own home. As well, students can be on Campus in a safe and nurturing environment.

## **BENEFITS OF AN ONLINE GRADE 12:**

- All classes are recorded and can be used by the student to review the information presented
- Full use of the white board along with other technical applications (power points, videos, other media...)
- Direct individual support of student by a team of teachers in a confidential and secure manner
- Assignments sent and returned electronically
- Students can progress at their own pace
- Grade 12 is recognized by Quebec universities for admission (1 year instead of 2 years CEGEP)
- Grade 12 is accepted officially across North America for university acceptance as well as in Europe
- No transportation costs
- No weather concerns

# Tuition

## TUITION FEES

### **NSOS Online Course – \$6,000**

Includes:

- Books
- Labs
- OSSLT (Ontario Secondary School Literacy Test)
- Final Exams

### **Please take note both choices also include Academic Advising**

Academic Advising is an information service designed to help all NSOS students with educational decision-making. Advisers will help you set an educational plan for both NSOS and for university. We will provide you with information on your graduation requirements, program transfers, applying to university and much more.

## TUITION FEES

### **NSOS On Campus – \$12,000**

Includes:

- Books
- Labs
- OSSLT (Ontario Secondary School Literacy Test)
- Final Exams

On Campus students experience student Life by participating in the Athletic and Artistic departments. As well as all tutorials offered. Furthermore they are mentored throughout their semester by receiving a structured schedule, which is monitored by obligatory classroom time. A progression report is presented to ensure the students success.
